Tech Intern

Sep 2021 - Dec 2021

- Assist with programming, coding, analytics, troubleshooting, and creation of an application.
- Regularly attend an average of **4** weekly meetings every month to actively participate in work-related affairs.
- Researched further tech-related knowledge to help efficiency in assisting by **14%**.

## PROJECTS

- **Personal Portfolio Website** (<https://dennissantoso.netlify.app/>): A personal website that features my portfolio and information constructed by using HTML, CSS, JavaScript, and Bootstrap.
- **GameStonk Simulator** (<https://devpost.com/software/gamestonk-simulator>): A game simulation about the rise of GameStop stock, set up by using Python and Pygame that leads us to win Hacker's Choice Winner at HackUCI 2021.
- **Finest** (<https://devpost.com/software/finest>): A webpage that assists those with impairments and the elderly while making financial transactions with the assistance of our virtual assistant. Designed by Figma and built with Django, Python, Heroku CLI, GoDaddy, HTML/CSS, and Bootstrap. This project led us to achieve 1st Place Winner at NextStep Hacks 2021.
- **GalsPress** (<https://devpost.com/software/galspress>): a web-based application that can check articles or paragraphs for bias and sentimentality, where you can easily observe the different dataset results. Built with Node.js, Next.js, Tailwind CSS, Python, Flask, Google Collab, the Dbias dataset, and VaderSentiment that led us to win 2 tracks at Rose Hack 2024.

## SKILLS & INTERESTS

- **Languages:** (*Proficient*) Javascript; C++; C; Java; React; Python; Dart; Typescript (*Basic*) Swift; SQL; Angular; Vue
- **Technologies:** HTML/CSS; Git; Spotify API; Android Studio; Figma; Bootstrap; MySQL; LaTeX, Travis CI; Pandas
- **Additional:** (*Proficient*) English; Indonesian (*Basic*) Mandarin Chinese
- **Interests:** Traveling, Bodybuilding, Boulderling, Pickleball, Cooking, Gaming

## LEADERSHIP

Bit/Byte Mentor | ACM @ UCR

Oct 2023 - Present

- Mentored **2** mentees on various topics, including specialization, resume, classes, internships, and research opportunities.
- Provided and established counseling with positive and appropriate mentoring relationships with mentees.
- Actively participated in social events and networking sessions with mentors and program coordinators.
